## ***REASONS FOR ALLOWANCE***

The following is an Examiner's Statement of Reasons for Allowance:

The claims are allowable over the prior art for at least the reason that the prior art fails to reasonably teach or suggest a reflector in which peak reflectance is obtained at about a specular reflection angle and a first integrated value of reflectance in a reflection-angle range smaller than the than the specular reflection angle with respect to a substrate surface is different from a second integrated value of reflectance in a reflection-angle range larger than the specular reflection angle as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
